To date, thirty members have paid their 2024-2025 dues, with two new members and eight Family memberships.

The Civil War on the Internet

There is an enormous amount of information on the Internet on all topics, including the Civil War. Steve will connect his laptop to the Internet and demonstrate some sites of particular interest that members can later explore on their own.

Fort Donelson Monument Status

We received a response from the National Park Service on April 17, just after the April Newsletter went out. They did not say “yes” or “no,” but asked for additional supporting information. We submitted supplemental information to them on May 7, 2024. A Staff Ride with the Nebraska National Guard at Fort Donelson was scheduled for February 15, 2025, the 163rd anniversary of the day the breakout was stopped, had to be cancelled due to severe adverse weather. It is hoped this will be rescheduled, perhaps in April. The archeologists researching the possible location of the battle line where the First Nebraska was engaged would have been present last month, and may be present for the rescheduled Staff Ride.

Hope to see you on the 26th!
