Fort Donelson Monument Status

We received a response from the National Park Service on April 17, just after the April Newsletter went out. They did not say “yes” or “no,” but asked for additional supporting information. We submitted supplemental information to them on May 7, 2024. With the help of retired General Roger Lempke, on May 2, 2025, the Fort Donelson Committee sent a letter to the acting Regional Director of the NPS responsible for Tennessee asking what we can do to keep this project moving forward; there has been no response yet

Hope to see you on the 28th!
